Linda,

These parts will be acceptable for conformity
 But ERA is insisting on stainless steel for production.
 What will be the cost and lead time on the stainless steel for production?

Thanks,
 David

OMG - don't hate me - I misread the fine print on the quote from the hose shop - lead time is 16 weeks after order.....Chantal sent me the P.O. for the hoses.

I have not entered - let me know if you still want me to proceed or if you want to cancel

I am so sorry about that, totally my fault.

Thank you
